A CLUB in Pittsburg, Pa., named in honor of Roseau Coupling, is in receipt of the following letter, which certainly indicates that the New York statesmen is still a leader in the great party which honored him, and which he honored in a most signal degree:

Mr. YOUNG, Feb.—My Dear Sir: Setting great store by the reputation of your countrymen, I warmly appreciate the fact announced in your letter of the 17 inst., that citizens of Pittsburgh have organized a club to indicate their wish that the Republicans may make me its candidate for president of the United States. Not being an aspirant for political preferment and not supposing that the party with so many tried and distinguished men to choose from, would wish me to become their standard-bearer, I am gratified, however, to learn that the Union Club has chosen me. The indomitable pluck of Col. Ross and his company is graphically pictured. The Colonel himself was captured and borne back to Libby—after hardships nearly if not quite as great as those he had suffered in prison. He was Colonel of the 57th Pennsylvania, and is now a Captain in the regular army. This article is certainly worthy of a rank with the very best of war literature. It will be read with additional interest, in view of the proposed removal of Libby Prison bodily from its present home to new quarters in Chicago—revering as it does all the awful horrors of the prisons of the war.

Yours, etc., ROSEAU COUPLING.
